

Protect Your Investment with the AAOC Referral Program!

As an association, we know all too well that our strength is in our numbers! And while the AAOC is proud to say we represent over 50,000 units in Orange County and the State of California, the truth is, it's not enough. Every day a struggling economy and new legislation threatens our industry and more importantly our way of life. Let this be our call to action; protect your investment by referring anyone who is involved with the rental-housing community to join with the AAOC and join in our fight.

As an added incentive to you, our loyal members who promote our services, we will offer a \$25 credit to both you as well as your referral once they have joined the association!

What can you do with your credit? Use it however you want! Some options include:

- ◆ Membership Dues
- ◆ Credit Checks
- ◆ Education Luncheons
- ◆ Forms
- ◆ Books
- ◆ Golf Tournament
